Summer Reading Program

The Gannawarra Library Service is running a summer reading program from December 1 through to January 31. The program encourages primary-aged children to read over the summer – building on existing reading skills and developing a love of reading. The program is incentive based with the more books being read; the more chances a child has to win one of the gift vouchers available from Kerang Sports and Toys. This year we are offering more great prizes thanks to Rotary Club sponsorship. Contact any of the branches for further details.

MAYORS MESSAGE

What a jam-packed couple of weeks Gannawarra have had! Over the last weekend alone there was the hugely successful Gannawarra Memorial Toy Run, ReSpark the Park which saw over 120 people converge to McCann Crescent Park in Kerang and provide some great thoughts on how Council could improve the area, to the Skate Park Leagues Grand Final in Kerang on Sunday – we have been able to provide a great range of events and activities for all!

Over the past fortnight I have had the opportunity to attend a Murray River Group of Council's meeting where some great conversations were had about strategies and projects across the region, including discussion on water issues which will continue over the next 12 months.

I also had the privilege of attending the Mallee Regional Assembly in Mildura on Thursday evening. This was a fantastic opportunity for Gannawarra to have their say and input on the future of the region, with key financial decisions being made as a direct result of discussions held at this Assembly. A key focus for Gannawarra in our conversations is health, education and transport.
