## Youth Council Profile

Stacey Barbagallo, Cohuna Secondary College

### Why did you join Youth Council?

I joined Youth Council because I wanted the opportunity to continue working on projects & because I really enjoyed all of the opportunities that arose last year on Youth Council, like Youth Parliament, Change it Up & Halogen.

### Where do you see yourself in 5 years' time?

In 5 years' time I see myself graduating from Uni with a degree. What degree? I wouldn't have a clue. In that time I would also like to be a leader at YMCA camps, volunteer in the community & continue to be involved in sport.

### Interests or something interesting about yourself

I really enjoy sport I play seasonal sports like tennis, basketball & netball as well as school sports. I also enjoy water skiing in summer last skiing season I learnt how to start on a single ski. My other interests include progressing change in the community & working on my families' dairy farm.

### What is one thing you would like to see happen or change in Gannawarra to make it a better place for young people?

I would like to see more young people involved in the community & working together to make a caring & supportive environment for all of us.
