

MAYOR'S MESSAGE

As we ease out of another lockdown, I would like to thank residents for their patience and support for one another. It will be great to see people reconnect. However, as we come together as a community again, I would also like to remind residents to ensure they implement COVID-SAFE practices and if they feel unwell or experience COVID-like symptoms to get tested and self-isolate.

Kind regards,

Mayor Charlie Gillingham

Through the annual Community grants program applicants can choose between three different grant streams of Community Support & Community Events (up to \$5,000) or Major Community Projects (up to \$125,000 on Non-Council owned land), depending on their project, program, activity, or event. Alongside this community grants program, the council also aims to assist potential applicants by offering resources and quick guides, available on the Grants and funding webpage on the Gannawarra Shire Council website. Applicants are encouraged to speak to Council officers prior to submitting their application. To make an appointment, please contact Council's Customer Service staff on (03) 5450 9333 or email grants@gsc.vic.gov.au.

MATERNAL AND CHILD HEALTH APPOINTMENTS

It is important that appointments and enquiries are still made by calling Council on (03) 5450 9333.

SCORESBY STREET PROGRESS

Work to upgrade the next section of streetscape in the Kerang CBD has commenced, after the first section at the Victoria St/Scoresby St intersection, outside of the McKnight & Bray building, was completed earlier last week.

Works have moved across the road to the corner of Scoresby and Victoria Street intersection, in front of Kerang Optical, and are expected to take 2-3 weeks.

Scoresby Street will remain open to motorists, with a 40km per hour speed limit in place. Pedestrians may need to take a different path as works progress.
