## MAYOR'S MESSAGE

Last month, National Reconciliation Week was celebrated with over 300 people supporting the community walk and celebration. Reconciliation is an ongoing process but we can all contribute by respecting culture, rights and identity, acknowledging Australia's past, and building stronger relationships. Thank you to the Kerang Elders and everyone involved. The smoking ceremony, digeridoo, storytelling and dance performance were greatly enjoyed by all - the kangaroo sausages were a hit too!

Kerang recently hosted the Mallee Regional Assembly which was attended by over 200 people including several Ministers, politicians, high level state government staff, media personnel and community members. This was a wonderful opportunity to showcase Gannawarra and Council staff did a magnificent job creating a memorable and impressive display at the entrance of the Assembly. The Assembly included detailed discussions on key priorities for the Mallee Region including economic game changers, access to services, connectivity, liveability and tourism, and sustaining small towns.

It was wonderful to see so many community members attend and have their say. Following the Assembly, a live ABC Radio broadcast took place from the Kerang CBD including interviews with community members about their Gannawarra and Mallee priorities.
