KOONDROOK WHARF AWARD NOMINATION

The Koondrook Wharf has been shortlisted in three separate categories of the 2018 Victorian Architecture Awards.

"The nomination was submitted by the architecture company Terroir who designed the wharf," said Mayor Gibson. "To be shortlisted in three categories is a remarkable achievement and an acknowledgement to the architect as well as Council staff and community members who worked together on the design."

The Koondrook Wharf has been shortlisted in the Small Project, Urban Design and Regional categories.

MAYOR'S MESSAGE

What a wonderful achievement and recognition for the Gannawarra Shire to be one of 10 National category award winners at the National Awards for Local Government.

Gannawarra Shire was presented with the Arts Animates: Excellence in Building Vibrant and Resilient Communities Award at a ceremony held in Canberra last week.

The award acknowledges Council's innovative approach to delivering a performing arts program in partnership with the community. Thank you to the community for embracing and participating in this project.

Following on from this achievement I am also very excited to hear that the Koondrook Wharf has been shortlisted in three categories of the 2018 Victorian Architecture Awards to be announced Friday.

Flu season is upon us and despite the current shortage of flu vaccine across Australia, Council still has vaccine stock in place. If you have missed being vaccinated against the flu, give our community health team a call on 5450 9333 to book in for our upcoming immunisation sessions.

SAVE ON ENERGY, BOOST HOME COMFORT WITH SCORECARD

The Victorian Residential Efficiency Scorecard is a new Victorian Government program to help you figure out where your home is using the most energy, reduce that use, and keep yourself cosy in the process.

Scorecard looks at the fixed features of your home – the way it's built and insulated, and features like your hot water and heating systems. It is delivered by government-accredited assessors, and will give your house a star rating (like the star rating on your fridge or air conditioner) as well as recommendations to improve that rating.

Getting a Scorecard assessment is a simple process. Visit the website – www.victorianenergysaver.vic.gov.au/scorecard - choose an assessor and get in touch for a quote and to book a time. For more info, email help.scorecard@delwp.vic.gov.au, watch a video or call 136 186.
