## MAYOR'S MESSAGE

The upcoming Easter and April holiday period will be busy, thanks to numerous community-led activities. Fourteen additional events planned from the Easter long weekend through to the end of April recently shared in more than \$40,000 of funding made available through the Gannawarra Community Flood Recovery Program. These events will cater for all ages and help support residents to connect as well as providing a unique point of difference to attract visitors to Gannawarra.
