ANIMAL REGISTRATION DUE

Pet owners are reminded that animal registration payments are due by 10 April, 2019.

Animal registration is required under the *Domestic Animals Act 1994* and all dogs and cats over three months of age must be registered with Council and microchipped.

Animal owners can receive a discount if they currently hold an eligible pension card, or if their pet is aged over 10 years, a working dog, registered with an applicable organisation or de-sexed.

Those who have paid their animal registration in the past few days and believe they are entitled to a pension card discount are encouraged to visit either the Cohuna or Kerang Customer Service Centre with their proof of payment and a pension card so that a refund can be processed.

Residents have the option to pay online via BPAY or contact Council to pay over the phone. Alternatively, payment can be made in person at Council's Customer Service Centres. A separate BPAY payment is required per animal.

Payment of an amount different to that shown on the notice must be paid in person at Council's Customer Service Centres.

Animal owners wishing to register their pet with Gannawarra Shire Council for the first time will need to visit one of the Kerang or Cohuna Council offices to make registration arrangements.

A late payment fee of \$38.00 per animal may apply after 11 April, 2019.

MAYOR'S MESSAGE

With works to replace Sampson's Bridge scheduled to begin late next month, I urge residents who use this bridge regularly to start planning alternative routes. This is a key project that will ensure the bridge will cater for the growing number of vehicles that use Kerang-Leitchville Road.

Council is excited to be involved in This Girl Can week, with many opportunities for women and girls to be active over the coming week.

One way to achieve this is by exploring the many scenic walking tracks our Shire has to offer. These include the levee bank next to the Loddon River at Kerang, the Gunbower Creek Walk at Cohuna, the Koondrook river walk and town trails around Leitchville, Murrabit, Quambatook

and the Lakes area.

I look forward to construction starting at the Horfield solar farm this month and the activity it brings to our community.

I encourage our communities to support our local suppliers at local markets at Murrabit, Kerang and Cohuna.

Cr Steve Tasker and I look forward to chatting with you at Mayoral Listening Post sessions scheduled for Thursday, 21 March at Apex Park, Koondrook from 5pm and Lions Park, Murrabit on Wednesday, 27 March from 12 noon.

Kind regards,
Mayor Lorraine Learmonth

The Dummies will also run two workshops during the school holidays.
