

MAYOR'S MESSAGE

The community continues to do a fantastic job as our flood emergency enters a second month.

Towns and districts across the Gannawarra are facing different challenges. For some, it is the start of the recovery process, whilst for others it is continued efforts to protect properties from inundation. Please remember to be kind to one another and support each other during this emergency. If you need someone to talk to, the support available section on Council's flood page – located at www.gsc.vic.gov.au/floods - has a great list of resources.

Kind regards,

Mayor Charlie Gillingham
