## MAYOR'S MESSAGE

Last week's hot conditions and the recent bushfires that have affected communities across northern New South Wales and southern Queensland are timely reminders that we must be vigilant when it comes to fire preparedness.

Please don't leave it too late to prepare for a fire emergency. Now is the time to complete your fire protection work around your properties. It is also important to have a fire plan in place for you and your family.

It is also the ideal time for those who have a pool on their property to check that fences and gates are in working order.

I recently had the pleasure of attending the Lions Club of Murrabit and District's 30<sup>th</sup> anniversary celebrations.

Our community groups play a major role in making the Gannawarra a great place to live and work. The work these volunteers do is greatly appreciated.

With Christmas approaching, it is great to see the variety of decorations on display in our towns.

Although it has been a difficult year for our communities, I encourage you to brighten up your homes and businesses with decorations and lights to spread some Christmas cheer.

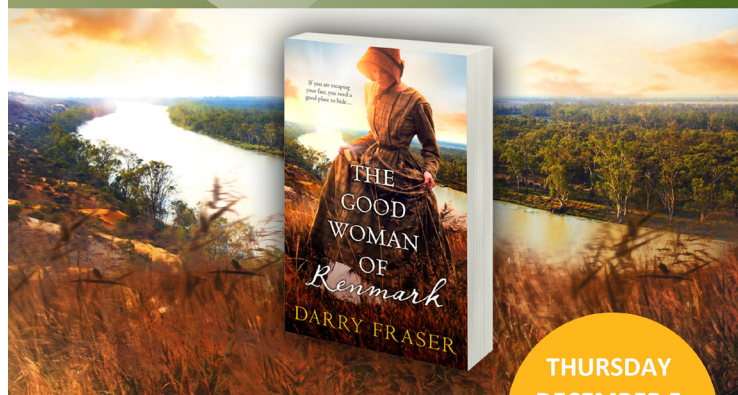

Please also continue to support our local businesses and "buy from the bush" this Christmas.

Kind regards,  
Mayor Lorraine Learmonth
