## MAYOR'S MESSAGE

This month marks one year since our second major flood event in 11 years. For many of our residents, work continues to recover from these floods, which affected all of us in different ways.

It is important to take time to look after your mental health. Council's flood website, located at

[www.gsc.vic.gov.au/floods](http://www.gsc.vic.gov.au/floods), features some great resources, which you can find under the Additional Resources and Information heading.

Kind regards,

**Mayor Charlie Gillingham**

## FIRE HAZARD CLEARING

A wet winter has created the ideal conditions for grass and weed growth, and with a dry spring/summer forecast, this will produce a heightened fire danger risk. To alleviate this, Council will undertake fire hazard inspections during September and October.

Residents are asked to reduce the fire risk on their properties now and continue to do so during summer.

## ROAD, FOOTPATH INSPECTIONS

Efforts to inspect Council's sealed road, unsealed road and footpath network are occurring, with Infrastructure Management Group vehicles driving along these roads and footpaths to complete laser measurement and video recording activities.

If you have any questions, please contact Council on (03) 5450 9333.
