MAYOR'S MESSAGE

Congratulations to the successful community groups and the 16 community events and activities that will share in \$39,918 of funding thanks to the Gannawarra Community Flood Recovery Grants program.

Made possible thanks to the Victorian and Commonwealth governments, these events and activities will assist the Gannawarra's social recovery from the October-December 2022 floods.

My fellow Councillors and I look forward to seeing these events and activities occur over the coming months.

Kind regards,

Mayor Charlie Gillingham

FIRE HAZARD CLEARING

A wet winter has created the ideal conditions for grass and weed growth, and with a dry spring/summer forecast, this will produce a heightened fire danger risk. To alleviate this, Council will undertake fire hazard inspections during September and October.

Residents are asked to reduce the fire risk on their properties now and continue to do so during summer.
